

INDOOR SPORTING FACILITY

Scalable Accounting & Bookkeeping Solutions from The Analytix Team

The indoor sporting facility industry has emerged as a niche market. Sports clinics and camps have short duration periods, and peaks in activity are highly seasonal. During periods of peak activity, resources are stretched forcing financial bookkeeping and accounting tasks to accumulate.

The Analytix Team can help. We recognize that timely access to accurate financial data is critical to the success of your facility. Our team of professionals will help put your facility back on track with scalable accounting, bookkeeping and CFO level services when you need additional manpower or expertise. In addition, we provide 24/7 access to data through our secure web portal allowing you to obtain updated financial reports on your facility's operations, including key performance indicators such as:

- ▶ Total revenue growth
- ▶ Revenue by program
- ▶ Revenue mix
- ▶ Revenue per square feet
- ▶ Revenue per team
- ▶ Gross margins by programs
- ▶ Enrollments this year vs. previous year
- ▶ Team analysis by year
- ▶ Classes by season
- ▶ Participation analysis

Analytix Solutions also offers a full range of secondary financial and IT support services including electronic document management for receipts, data entry, and systems integration — all the tools you need to help you grow and manage your facility!
