### Benefits

**Efficient** — no recruiting, training and ongoing management of qualified employees

**Cost effective** — eliminates need to source and maintain expensive IT equipment

**Increased free time** — no longer need to manage conventional IT setup

**Convenient and cost effective** — Reliable IT system at competitive cost

“When our QuickBooks crashed, Analytix was able to rebuild all the information on their own server for us with 24/7 access in approximately three weeks — a significant amount of work within a short time. They have the bandwidth and knowledge to resolve important issues quickly.”
