Custom Designed Web Sites To Drive Your Business

Search Engine Optimization (SEO) efforts are also dependent on website design. A well-designed website can lead to high internet search engine rankings providing your business with higher visibility and resulting in higher lead generation.

Analytix offers the following web services:

- ▶ Web design and development
- ▶ Custom application development
- ▶ Multimedia
- ▶ Search engine marketing and advertising
- ▶ E-commerce solutions
- ▶ Social media — blogs, Facebook, Linkedin, Twitter and You Tube
- ▶ Content management
- ▶ Network monitoring, web support and maintenance
- ▶ Hosting and email services

Call us today for a no-fee design & development consultation.
