

BOOKKEEPING

Why Analytix Solutions?

In line with our commitment to serve small and mid-size businesses, Analytix's bookkeeping services offer you complete freedom to stop worrying about financial matters. At Analytix, we hire experts to assist small and mid-size businesses with their financial requirements. When you reach out to Analytix, your bookkeeping is done by qualified professionals — experts in their field — without the added expense of an in-house bookkeeper. You also save precious time hiring, training and retaining staff. Outsourcing your bookkeeping to Analytix allows you more time to focus on your business and your clients.

Advantage Analytix

In addition to managing your bookkeeping functions, Analytix also provides you with secure online access to your documents — anywhere and anytime. At Analytix, we work on major software programs such as QuickBooks, Peachtree, Great Plains, and Intacct.

We are committed to accuracy and quality work. More than 95% of our accounting, bookkeeping and tax preparation clients renew annually, and more than 50% of our existing clients have added additional services, such as web marketing and website design solutions.
