

PAYROLL SERVICES

Professional Payroll Processing

Professional payroll services from Analytix provide you with more free time to run your business knowing that a trusted advisor is managing the payroll. With Analytix, you can be assured that you'll never miss a tax deadline, pay the wrong amount or make errors on critical tax forms. We'll complete all federal and state payroll filings for you, including 941/944 quarterly forms, year-end 940 forms and W-2s.

Moreover, our direct deposit service enables you to deposit paychecks electronically in employee bank accounts. This saves you the hassle of writing checks and saves your employees from having to make trips to the bank. Your payroll information will be maintained accurately and securely, and you can access it anytime, from any computer.
