

COLLATERAL AND MULTIMEDIA DESIGN

Marketing Communications That Set You Apart from the Competition

Corporate identities, such as logos and letterheads, are key components to your company's marketing plan, especially in today's competitive times.

Visibility and recognition are important for small or medium businesses. Let our design experts help you establish recognition in the marketplace. We can work with you to establish a corporate identity and communications plan that will differentiate you from your competitors.

Whether you are an established company or a startup, we can work with you to manage all of your branding needs. Our marketing team has the knowledge and technical experience to deliver strategic, compelling and visually attractive marketing communications to support your sales and retention efforts at an affordable price.

Our services include design and execution of the following:

- ▶ Corporate identity packages— logo, stationary, business cards, templates
- ▶ e-Collateral development— corporate newsletter, flash brochures
- ▶ Print ads, posters, signs
- ▶ Datasheets
- ▶ Brochures
- ▶ Website development
- ▶ Banners
- ▶ Event management kits
- ▶ Flash presentations

Call us today for a **FREE** review of your current marketing materials.
